MLK Jr. Day

Martin Luther King Jr. fought for equal rights for Blacks. On Monday January 15th, we celebrated MLK Jr. Day at our school. We watched videos, read books, and did work sheets to learn about King. He was an important leader for Civil Rights. When he was alive, Blacks were not allowed to do the same things as whites. He led peaceful marches and boycotts. He was on a trip and was shot and killed. We celebrate him today because he helped give Blacks equal rights as Whites.

ASSEMBLY

On Thursday, Jan. 25th we went to Rau for an assembly. It was a magic show. He had metal rings, a rope that he cut and put it back together with no knot, a coloring book that he filled with color and then made the color disappear, and a talking box. My favorite part was the coloring book. I loved how first he added color to the pages and then all of the images disappeared from the book! I hope he comes up with new tricks! I loved his show.

Movie

This year we went to a movie. The movie was Wonder; based on a book by R.J. Palacio. The movie is about a 10-year old kid that has a facial deformity that is going to his first year of middle school and how people were mean to him. The movie is good but not as good as the book! But all and all it was a really great movie!
