New Student

My name is Jack Siebenaler. I am 5 1/2 years old. I just started at Brorson School a week ago. I have one brother names Lucas. My favorite people are my mom, dad, brother and papa. I am excited to go to school here and for the field trips!

Recycling

We collected 1,400 pounds this month! We got new storage containers for inside our recycling shed. We now have one container for each type of recycling material. We really hope we can reach our goal of 10,000 pounds by the end of the year!

We all dressed up nice for the pictures. We also thought it was windy outside on picture day. Picture day was fun for all of us. We all took turns to take our pictures. We were nice to each other. We all had a great day!

Immediate improvements on the report card and test scores!

Construction

They had to flat out the dirt then they put the base of the building. Next they poured the

concrete. They put the walls up for the new garage. We are excited to get a garage so we can put the school vehicle in it. Then we will have more room for P.E.!
