## Cultural Fair

by Xander MacGrady

**On September 24<sup>th</sup>, we went to the Cultural Fair in Poplar, MT.**

**First, we danced with the Native**

**Americans. Next, we went to look at booths. We saw a few national refuges, we learned about fur, birds, cavemen, and pipestone. Lastly, we went to one station that we threw bow and arrows and I was the only one closest to the target of all my classmates. This was the coolest field trip I have been on because we learned about Native Americans and about our state.**

LET'S GO

ADVENTURE

# Makoshika

by Jackson Escobedo

On October 2<sup>nd</sup>, we went to Makoshika State Park for our field trip. First, we went on a little tour inside the Makoshika building. We saw snake skins, a stuffed bear, dinosaurs, and fossils. Second, we ate lunch at the picnic tables. Lastly we went hiking and it was so fun and tiring because we walked up a big hill.

# Homecoming Parade

by Kiersta Jensen

On September 25<sup>th</sup>, we went to town for the homecoming parade. First, we stood in front of Willow Collective waiting for the parade. Then, we watched the parade and got candy and slapping football. I liked the Homecoming parade because they gave out candy, the band was good, and all the floats.

# School Improvements

by Ryker MacGrady

Over the summer we had work done at the school. First, we got new steps. Next, we got a new ramp. Finally we got a new chair lift, for wheelchairs. They all look very nice.

# Fire Prevention

By: Scarlett Escobedo

On October 8<sup>th</sup>, we had the Sidney Firemen come to our school to tell us about Fire Prevention.

First, we had our fire drill and we had to go to our safe place. Then, the firemen let us climb on and look inside the firetruck. Lastly, we went inside and they talked about their uniforms and they are fire protected from any fires. They gave us color changing pencils. I enjoyed the firefighters coming to our school because they let us go on the fire truck.

# On the Menu

On September 16<sup>th</sup>, Jackson and I cooked chicken alfredo and pudding. We made our cake first. Next, we made the chicken and noodles. Lastly, we made the alfredo and then stirred the ingredients together. The food was really good and the whole school enjoyed the chicken alfredo.

On October 21<sup>st</sup>, Xander and I cooked. We made Dino chicken nuggets, french fries, and confetti cake with pink and blue frosting with sprinkles. First, we made the cake on the 20<sup>th</sup>, so it can get cooled. Second we cooked the nuggets and fries. Lastly, we frosted the cake. We loved it!

# HAPPY BIRTHDAY

On August 21<sup>st</sup>, we celebrated my birthday. It was the actual date of my birthday. We went downstairs and it was decorated for my birthday. Second, we ate lunch, and I blew candle out. The candle was spinning in circles and it sang Happy Birthday. Then we ate cake. I thought it was the best day ever. **by Scarlett Escobedo**

On October 9<sup>th</sup>, we celebrated my birthday, but actually my birthday is the 12<sup>th</sup>. First my mom made Chicken Alfredo and brought it to school for lunch. Then we had cupcakes and cookies. Lastly, we played outside for recess and my mom left. Everyone loved the chicken alfredo, cupcakes and cookies. I had a good birthday. **by Katrina Murschel**

Jackson also had a birthday this quarter. He turned twelve and brought an ice cream cake.
