VOLUME 3, ISSUE 1

AUGUST 2017

Its That Time of year!

Here we are with a month left until school starts yet again! Ms. Haggard and Mrs. Taylor (Ms. Steffan went and got herself married!!) have been working very hard to get everything ready for everyone to come back on August 23rd! We are looking forward to another busy year with lots of learning, projects, and fun.

There will be 7 students again this year, including one new student! Keep your eyes peeled for a blurb on him in our next issue!

Enjoy the last month of summer!

Back to School BBQ!

Our Back-to-School BBQ will be on August 22nd at 6pm!! You are all welcome to come bring your families and welcome in the new school year!! The School will provide hamburgers and hotdogs, please bring a side dish or a dessert!

Back to School Supplies!

We have had several questions about when a school supply list will be sent out, and here it is!! Brorson is fortunate to be able to provide, pencils, paper, and other necessary supplies for school. We ask of the families to bring some extras that the school cannot provide.

1. Clorox Wipes
2. Kleenex (the school has the thin, scratchy kind)

3. Ziploc bags in various sizes

Your students will each need their own backpack and lunch box as well. This year, students will need a second pair of indoor shoes to wear in the classroom.
