Beginning of School

During the first week of school we did a project called "Taco 'bout Me" to learn more about each other. We also used dice to answer questions about ourselves. We came up with rules for in school and at recess. We did a scavenger hunt called "Save the Sinking School" where we had to look for tools and workers to help save the school from sinking in quick sand. We had a lot of fun doing all the activities the first week of school.
